Sapphire at The Butte offers a Residential Care program built around each individual's life history, heritage, current abilities and interests – this is our “person-centered” approach to care!

Our carefully selected staff are honored to support each resident with the activities of daily living such as dressing, bathing and management of medication according to their plan of care.

Each resident is encouraged to select their own agenda and activities, while feeling secure in knowing that our staff are there when needed. Each resident and the interdisciplinary care team develop and a plan of care that aligns the care with the desired outcomes.

Exceptional care, heartfelt connection —
Welcome to Sapphire.
